Make Home Delivery Your Choice and Gain Peace of Mind

Millions choose home delivery from the Express Scripts Pharmacy to get their medication when and how they want.

Whether you choose home delivery or stay at your retail pharmacy, you must let Express Scripts know your choice. Your plan will allow 2 retail fills of your maintenance medications — prescription drugs you take regularly to treat ongoing conditions.

You must contact Express Scripts with your decision before your third fill at the retail pharmacy.

You Can Trust Home Delivery to Deliver
