

2016 Logo winner Brynna Tressler, Danville Area High School

# Animation • Computer Fair Logo Digital Movie • Graphic Design Programming • Web Page Design

The Pennsylvania Computer Fair is an annual event that highlights Pennsylvania school students' application skills and computer knowledge. Students are able to unleash their creativity, learn how to convey information more dynamically, and enhance the learning process.

**BLaST IU #17 Regional Competition • May 9th, 2017**  
Pennsylvania College of Technology • 7:30 AM - 3:00 PM

**PA State High School Fair • Tuesday, May 23, 2017**  
Dickinson College - Carlisle, PA.

**PA State Middle School Fair • Wednesday, May 24, 2017**  
Dickinson College - Carlisle, PA.

**Participation is open to any student enrolled:**

High School: Grades 9 - 12 • Middle School: Grades 6 - 8

In a public or private school • In a state-approved home-school program within the geographic boundaries served by a sponsoring intermediate unit.
