GRIEVANCE PROCEDURE

Section 9.01 It is of the utmost importance to adjust grievances as quickly as possible.

Section 9.02 No grievance shall be considered where the circumstances giving rise to it occurred more than fifteen (15) work days before the filing of the grievance.

Section 9.03 A grievance shall be understood to be a claimed violation regarding the interpretation or application of one or more provisions of this Agreement.

Section 9.04 Grievances shall be settled in the following manner:

Step I: The aggrieved Employee or Employees, or the Association, shall present the grievance in writing to the Director of Student Services. The Director of Student Services shall attempt to resolve the matter and shall respond in writing to the Employee or Employees and the Association within seven (7) work days.

Step II: In the event the grievance is not settled at Step I, the aggrieved Employee or Employees or the Association shall present the grievance in writing to the Executive Director within seven (7) work days after the response of the Director of Student Services. The Executive Director shall respond in writing to the Employee or Employees and the Association within seven (7) work days after receipt of the appeal.

Step III: An appeal from an unfavorable decision at Step II may be initiated by the Association only and not by any Employee or grievant other than the Association by serving upon the Executive Director a notice in writing of intent to proceed to arbitration within ten (10) work days after the Step II response. The notice shall identify the provisions of the Agreement, the Employee(s) involved, and a copy of the grievance. The Association shall, within seven (7)

work days after the notice has been given, refer the grievance in writing to the Pennsylvania Bureau of Mediation for the purpose of arbitrating the unsettled grievance.

Section 9.05 The decision of the arbitrator shall be final and binding upon the parties. Each case shall be considered on its merits and the Agreement shall constitute the basis upon which the decision shall be rendered.

Section 9.06 The decision at Step I shall not be used as a precedent for any subsequent case.

Section 9.07 The arbitrator shall neither add to, subtract from, nor modify the provisions of this Agreement. The arbitrator shall confine himself to the precise issues submitted for arbitration and shall have no authority to determine any other issues not so submitted to him.

Section 9.08 All the time limits contained in this article may be extended by mutual agreement. The granting of any extension at any step shall not be deemed to establish a precedent.

Section 9.09 All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. Either party desiring a record of the proceedings shall pay for the record and make a copy available without charge to the arbitrator.

Section 9.10 An Employee shall be permitted to have a representative of the Association present at each step of the grievance procedure up to and including Step II, subject, however, to Article VI, Section 6.06, of the Public Employee Relations Act.

Section 9.11 The failure of an employee to proceed to the next level of the grievance procedure within the time limits set forth, unless the time limit has been mutually waived, shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any further appeal. The failure of any of the Intermediate Unit representatives at any level to give

his written response within the specified time limits (or within any mutually agreed upon extension of the time limits) shall be deemed to be a denial of the grievance. An appeal to the next step must be within the timelines set forth herein from the date the decision is provided or from the date the grievance is deemed denied due to the lack of a response.

Section 9.12 The aggrieved Employee(s), Association representatives and witnesses shall be paid for time during regular working hours attending an arbitration hearing.

ARTICLE X
NO LOCKOUT, NO STRIKE PROVISION

Section 10.01 Both parties agree to abide by the provisions of the Pennsylvania Public Employee Relations Act faithfully.

(All of which are hereinafter referred to as a “strike.”)

Section 10.03 In the event of any such strike, the Association agrees that it will, in good faith and without delay, exert itself to the fullest extent to bring about a prompt termination of such strike and will insist that the Employee or Employees involved therein shall return to work. The Intermediate Unit's actions shall not be subject to the grievance and arbitration procedure except to the extent of determining whether or not the Employee did commit any of the above violations. If an arbitrator finds that an Employee committed any of the above violations, the arbitrator shall have no jurisdiction to change or modify the Intermediate Unit's discipline. If the arbitrator finds none of the above violations were committed, then this section does not apply and any grievance shall be decided by the arbitrator in accordance with the remaining provisions of this Agreement.

Section 23.04 School Year as a Basis

Seniority shall be determined on the basis of the school year or the number of days worked if less than one (1) school year. An Employee who works more than the normal school year of 190 days shall not be credited with any more seniority than an Employee who works the normal school year of one hundred ninety (190) days.

2. As long as Employees are employed for one hundred twenty (120) or more days, they will receive benefits. The Intermediate Unit is willing to count the prorated year of service of a former full-time teacher as one full year with regard to seniority. PSERS shall be calculated based on the total of actual days worked.
3. If there is a need to furlough, the administration will reference the seniority list with regard to the certifications that are required for that position as noted in Section 24.01.

Section 24.03 Availability

To be considered available for recall, a laid-off Employee must report on or before June 1st of each year in writing, his/her current address, and his/her intent to accept a recall when
