1 How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

'Learning from home is fun'

Thanks!

2 Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

3 Get building! You could build a Lego model, a tower of playing cards or something else!

4 Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

5 Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

6 Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

7 Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

9 Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

10 Design and make a homemade board game and play it with your family.

11 Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

23 Write a postcard to your teacher. Can you tell them what you like most about their class?

24 Draw a view. Look out of your window and draw what you see.

11 Independent Reading Responses That Can be Done with Any Book No Technology Required

Character Analysis – Choose a character from the story and draw a picture of the character in the center of the paper. Around the character write/draw about the character's personality traits, actions, special words, thoughts and feelings, problems & challenges, and accomplishments.

Create a Comic Strip – Choose a scene in the book and create a four-panel comic strip about that scene. Include colorful pictures with dialogue balloons for what each character is saying.

Make a Connections Map – Choose parts of the book that can be compared to the real world, another book, or yourself. Write down or draw these connections.

Make a New Book Cover – Create a new cover for the book with your own artwork and a blurb (short summary).

Make a Diorama – Using a shoebox or another box recreate a scene from the book using things from around the house such as scrap paper and small toys.

Create a Story Map – Draw 6 boxes on a sheet of paper. Put one of the following in each box: Title and author, characters, action, setting, problem, and solution. Write about the parts of the books in each box.

Write a Letter – Write a letter to your teacher or best friend telling him/her if you liked/disliked this book and why.

Create a Play – Either write or act out what this story would look like as a live action play.

Compare and Contrast – Create two circles that intertwine and make a list of how two books are different in the outer circle and how they are the same in the overlapping circle. Your child may know this as a Venn Diagram.

What's Next – Write about what you think would happen next if the story continued.

Story Chart – Divide a sheet of paper into 3 parts. Choose an important event from the beginning, middle, and end. Write/draw about that part.
