Acadience Reading Mentors will model how to detect K–6 students who are at risk for early reading difficulties in order to provide timely instructional support and prevent the occurrence of later reading difficulties.

Acadience Reading helps teachers identify children at risk for reading difficulties and determine the skills to target for instructional support. Acadience Reading K–6:

- provides universal screening
- detects when students need extra support
- is sensitive to effects of intervention
- supports the RtI/Multi-tiered model
