This workshop is designed for those who have taken the Acadience K-6 Reading Essentials Workshop and are ready to learn how to interpret data to inform instruction. This workshop offers advanced training on the use of Acadience Reading K-6 assessment data in an Outcomes-Driven Model, perfect for schools implementing a Response to Intervention or MTSS approach. Uses of data at the systems level and student level are illustrated.

**TOPICS INCLUDE:**
- Using data to match students to resources
- Group students for instruction
- Select materials for progress monitoring
- Evaluate the effectiveness of instruction

**DATE:**
September 28, 2022

**TIME:**
9:00a.m. - 2:30p.m.

**LOCATION:**
Williamsport BLaST Office

**COST:**
This training is supported by IDEA - TaC Funds and is made available at NO COST

**LUNCH WILL NOT BE PROVIDED**

**ACT 48:** 5 hours
