LETTRS addresses four critical outcomes for effective literacy instruction: understanding the science of reading, converting research to practice, enhancing teacher effectiveness, and transforming instruction. By understanding the “why” behind science and evidence-based research, educators can effectively know how to aid students in learning to read. With Bridge to Practice activities, educators implement the knowledge gained directly into their classrooms.

DATE:  
September 13, 2022  
October 18, 2022  
March 14, 2023  
April 11, 2023  
(All sessions required)
