LETRS addresses four critical outcomes for effective literacy instruction: understanding the science of reading, converting research to practice, enhancing teacher effectiveness, and transforming instruction. Volume 2 focuses specifically on oral language and vocabulary, understanding reading comprehension, text-driven comprehension instruction, and the reading-writing connection. With Bridge to Practice activities, educators implement the knowledge gained directly into their classrooms.

DATE:
September 27, 2022
November 8, 2022
March 28, 2023
April 18, 2023
