Join scheduling expert, **DR. MICHAEL RETTIG**, to discuss school scheduling with a systemic focus at the elementary, middle school (or junior high), and high school level. Dr. Rettig will work with local district administrators to consider providing or strengthening structured time for intervention, enrichment, and scheduling best practices.

**Participants will be provided resources, templates, and more!**

**THE WORKSHOPS:**
- October 25: Elementary Workshop
- October 26: Middle School Workshop
- October 27: High School Workshop

**TIME:**
