The Quest to Accelerate Learning aims to align with The Pennsylvania Department of Education’s (PDE) Accelerate Learning Plan while allowing educational leaders to take a personalized approach to meet individual goals to accelerate learning and improve collective efficacy. This course will focus on the four strands of PDE’s Accelerate Learning Plan: Academics, Systems Conditions, Social and Emotional Wellness, and Scaffolded Supports.

Participants will:

- Reflect and refine goals already created for their district
- Prioritize goals into the Accelerate Learning buckets to streamline effective delivery and collective efficacy
- Personalize their learning experience

DATES:
- October 5 – Canton (District team must be present)
- March 14 – Williamsport (District team must be present)
