Check & Connect (C&C) is an evidence-based intervention used with K-12 students who show warning signs of disengagement with school and who are at risk of dropping out.

At the core of C&C is a trusting relationship between the student and a caring, trained mentor who both advocates for and challenges the student to keep education salient. Demonstrated outcomes of C&C include decrease in truancy, tardies, behavior referrals, and dropout rates.

Additionally, Check & Connect has proven to impact attendance, school completion, persistence in school, credits accrued along with an impact on literacy.

**TRAINING REQUIREMENTS INCLUDE:**

**PREPARATION AND IMPLEMENTATION TRAINING**
This training is designed for administrators and lead staff. The workshop will provide a thorough overview of Check & Connect, along with information about how to prepare for site implementation.

**MENTOR TRAINING**
This competency-based training is designed to provide trainees with the information, competencies, and skills needed to be an effective site-based mentor.

**February 2 & 3, 2023**
